THE ALRESFORD SURGERY Complaints Procedure

If you have a complaint or concern about the service you have received from the doctors or any of the staff working in this practice, please let us know. We operate a practice complaints procedure as part of a NHS system for dealing with complaints. Our complaints system meets national criteria.

How to complain

We hope that most problems can be sorted out easily and quickly, often at the same time they arise and with the person concerned. If your problem cannot be sorted out in this way and you wish to make a complaint, we would like you to let us know as soon as possible - ideally, within a matter of days or at most a few weeks – because this will enable us to establish what happened more easily.

Complaints should be addressed to Mrs Sue Lees, Operations Manager, or any of the doctors. Alternatively, you may ask for an appointment with Mrs Lees in order to discuss your concerns. She will explain the complaints procedure to you and will make sure that your concerns are dealt with promptly. It will be a great help if you are as specific as possible about your complaints.

What we shall do

We shall acknowledge your complaint within three working days and in doing so will agree some desired outcome aims and a timeframe for a full written response. When we look into your complaint, we shall aim to:

- Find out what happened and identify anything that went wrong
- Offer you the opportunity to discuss the problem with those concerned
- Make sure you receive an apology, where this is appropriate
- Identify what we can do to make sure the problem doesn't happen again.
- Complaints are reviewed by the Partners on a monthly basis

Complaining on behalf of someone else

Please note that we are bound to the rules of medical confidentiality. If you are complaining on behalf of someone else, we have to know that you have their permission to do so. A note of consent signed by the person concerned will be required.

If we are unable to resolve your complaint

If we are unable to resolve your complaint you may take it to the next level and refer to the Parliamentary and Health Service Ombudsman:
